Address : 93/114 East Middle Street, Labbaikudikadu-621108.

CAREER OBJECTIVE

A highly motivated and quick-learning Computer Science graduate with strong problem-solving skills and knowledge in Java and web technologies. Passionate about developing efficient software solutions and continuously improving technical expertise.

EDUCATION QUALIFICATION

Degree / course	Name of the Institution	Year of Passing	CGPA / Percentage
B.E Computer Science	Karpagam Academy of Higher Education	2027	7.67*
HSC	Sri Ramakrishna Boys Matric.Hr.Sec. School	2023	79%
SSLC	Thanthai Roever Matriculation School	2021	90%

PROJECT / DETAILS:

Title : Strong password Analyzer and Generator

- **Technologies & Tools Used :** Html,Css,Javascript
- **Abstract :** TheStrongPasswordAnalyzer & Generator is a security-focused application developed to assist users in creating safe and reliable passwords.

Title : Blood Donation Management System

- **Technologies & Tools Used :** Html,Css,Javascript
- **Abstract :** TheBloodDonationManagement System is designed to create awareness and improve accessibility for blood donation services.

INTERNSHIPS:

PYTHON FOUNDATION INTERNSHIP

- Completed a 15-day internship focused on Python programming fundamentals and basic application development concepts. Learned core programming concepts such as variables, loops, functions, and object-oriented programming.

Learning Outcome : Developed a strong foundation in Python programming . Learned basic debugging and coding practices.

GENERATIVE AI INTERNSHIP

- Completed a 15-day internship on MERN Stack development covering frontend and backend technologies. Learned the basics of web application development using MongoDB, Express.js, React.js, and Node.js.

Learning Outcome : Understood the fundamentals of Generative AI and AI-based applications. Learned the basics of prompt engineering, AI model usage, and chatbot development concepts.

TECHNICAL SKILLS

Programming Language: C++, Java

Design : HTML, CSS

Data Base: SQL (Basics)

Tools : VS Code , Canva , MS Excel

System : Windows, IOS

CERTIFICATES

- Generative AI
- Python Foundations
- AWS Academy Cloud Foundation
- Introduction to HTML
- Introduction to CSS
- SQL(Basic)

SOFT SKILLS

- Communication Skills
- Problem-Solving
- Team Collaboration
- Time Management
- Adaptability
- Leadership Skills

DECLARATION

I confirm that the information provided above is true and accurate to the best of my knowledge. I take responsibility for the details mentioned.
